Zambia has been our home for over 20 years – let us share our passion for Africa with you.*

### **Kafunta Bush Experience**

This 5 or 8 nights Bush Experience package offers a unique opportunity to combine the central location of Kafunta River Lodge with the remoteness of our bush camps: Island Bush Camp, an authentic rustic bush camp and/or Three Rivers Camp, a sophisticated tented camp with unique sleep outs .

The first days are spent at **Kafunta River Lodge**, which offers the opportunity to discover the game rich Mfuwe area. Game viewing activities at Kafunta River Lodge include game drives in open vehicles along with unique night drives which offer the opportunity to view nocturnal animals.

The central location of Kafunta River Lodge allows us to explore vast areas of South Luangwa National Park. While at the lodge, you can relax on the privacy of your viewing deck, or by taking a swim in the infinity pool while keeping an eye on the elephants drinking at the waterhole. The lodge also features the only natural hot spring tub of Mfuwe, an intimate wellness spa as well as a small gym.

A 2 1/2 hour drive from Kafunta River Lodge, heading south through remote wilderness, will take you to one of our bush camps. **Three Rivers Camp** is ideally located between the Luangwa River and a wildlife-rich lagoon. The camp features 5 sumptuous tents decorated in earthy tones, each with a private viewing deck and separate platform where you can choose to sleep out at night. The en-suite bathroom offers the choice of an indoor or outdoor shower.

**Island Bush Camp** offers rustic open-sided huts built on stilts that ensure safety from wild animals while providing an unlimited view of the Luangwa River. Each of the 5 chalets has its own en-suite bathroom, with running water, flushing toilets and hot bucket showers. The camp is perfect for walking safaris.

Returning to Kafunta River Lodge, you spend the last part of your safari in the comfort of the lodge where you are able to participate in more game drives.
